Winter Fun at Fort Drum

Fort Drum's MWR has a month full of fun things to do both outside and inside. The outdoor enthusiasts may choose to go skiing at the Free Ski Day at Dry Hill scheduled for Friday, February 2nd and 16th from noon - 5 p.m. Cross Country Skiers are welcome to join us for the cross country ski and lunch which meets every Thursday. Spend an afternoon of fun at Remington Park's Family Fun Sledding Day on February 21st. Details on all of these events and more may be found on page 8.

Those who prefer to enjoy winter nice and cozy on the inside will find a number of classes at Arts & Crafts to keep them busy. What a great time to learn the art of quilting, sewing, or knitting; all three activities will leave you with something warm. The "Scrappy Hearts" Quilt class scheduled for February 10 will take you

through the steps of making a quilt. The pattern is easy, and whimsical. Your fabric choices can change the look to be perfect for anyone or any decor. Other classes being offered this month include jewelry making, stained glass, and painting to name a few. See the complete list and class descriptions on page 9.

Looking for a nice warm place to while away your evenings this winter? Why not stop by the Pine Plains Bowling Center or the Fort Drum Commons to enjoy good food and company by a cozy fireplace.

The Bowling Center's atrium offers great ambiance for those wanting to relax, watch TV and enjoy a beverage. Additionally, the Bowling Center offers great specials through out the week in both food and bowling (see page 6).

The Commons is hosting a number of events to help keep everyone busy this month. Families may enjoy the weekly Family Night in the Winner's Circle (Tuesdays 5 - 7:30 p.m.). Be sure to

make reservations for the Valentine's Day Dinner at Buster's Brew Pub. Your sweet heart is sure to be impressed by the warm and inviting atmosphere and the special dinner fare. The Soul Food Lunch Buffet honoring Black History Month is February 15th. A special Mardi Gras Lunch Buffet will be offered on Tuesday, February 20, featuring Cajun specialties including jambalaya.

Football fans won't want to miss the annual Super Party on Sunday, February 4th. Watch your favorite team play on the wall sized TV. Doors open at 3 p.m., come early to reserve your seat! For details on all that the Commons will offer in February, see page 3.

Even though this winter has been moderate for temperatures and snow, the weather can change drastically in no time at all. Remember to take care of your vehicles by winterizing and keeping the washer fluid full and always exercise caution when driving.

There will be a door prize, games/activities, A LOT of give-a-ways (that means FREE), music, and food! So take a step toward making a difference. Be Prepared For Winter

There is no time like the present to be prepared for the winter driving conditions. Winterizing your car is a must. Because of the extreme cold temperatures and winter storms it is imperative that you weatherize your vehicle.

Auto Craft Vehicle Winterization and Maintenance

We will check your battery and charging system, clean your battery terminals, lubricate door locks and seals, flush and fill coolant for at least 40 degrees below zero, and check the belts, hoses and tires.

Call 772-5785 and schedule your appointment now.

Another consideration for winter driving safety is an emergency survival kit for your vehicle. Some items to include should be: jumper cables, blankets, high energy foods, flashlight with extra batteries, shovel, ice scraper with snow brush, tow chain or strap, tire chains, cat liter for traction and flares. For a complete list and other safety tips about winter driving and road hazards please contact the Fort Drum Safety Office at 772-5352.

If you are new to the area it is highly recommended that you take the "Winter Driving and Local Hazards Course" given by the Safety Office, call 772-2911 for more information or to sign up for this important course.
